

We are looking forward to your appointment at the BCHP Division of Speech-Language Pathology.

Please complete the registration forms and bring them to your appointment, along with your insurance card.

Driving Directions:

From the north via the Taconic Parkway or the Saw Mill River Parkway (southbound):

Take the Taconic Parkway or Saw Mill River Parkway south to the Sprain Brook Parkway. Take the first exit (Rt. 100/Westchester Medical Center) off the Sprain Brook Parkway and turn right at the end of the ramp onto Rt. 100. Then, take a right at the first traffic light on to Hospital Road, into the entrance of the "Valhalla Campus of Westchester County," the campus of Westchester Medical Center. Continue straight through the first stop sign, past the parking garage. At the 2nd stop sign, take a left onto Sunshine Cottage Road and then the first right onto Plaza West.

Parking:

(Option 1): There are designated parking spaces for the Speech-Language Pathology clinic along the left side of Plaza West (see attached map). Please display our parking placard in the front window of your car. A direct entrance to our clinic is located at 40 Plaza West, Vosburgh Pavilion, directly across the street from the parking spaces. Ring the doorbell for entry.

(Option 2): If there are no available parking spaces along Plaza West, follow signs for Cedarwood Hall/WIHD, which is the building next to ours. Enter the parking lot in front of Cedarwood Hall/Westchester Institute for Human Development. (Take a ticket when entering the lot -- we will give you a voucher to pay the parking fee when you leave.) When facing Cedarwood Hall/WIHD, entrance to our clinic will be through the building directly to your right: New York Medical College/School of Health Sciences and Practice.

There is a call-box to the right of the main doors. Push the button and tell security that you are coming to the speech clinic. They will "buzz" you in. Once inside, take the elevator in the lobby to the 1st floor. Turn right as you exit the elevator and follow signs

From the south via Sprain Brook Parkway (northbound):

Take the Hospital Road/Route 100 exit (2nd exit past Route 287) off of the Sprain Brook Parkway. Take a left at the top of the exit ramp onto Hospital Road, and proceed as above.
